Filed:	February 4, 2004	Docket No.:	2043.150US1
Title:	METHOD AND SYSTEM FOR INCENTIVIZING THE PROMOTION OF A PAYMENT SERVICE		

Declaration of Dave McClure

I am a co-inventor of the above-captioned patent application 10/772,530, filed February 4, 2004 for "METHOD AND SYSTEM FOR INCENTIVIZING THE PROMOTION OF A PAYMENT SERVICE".

At the time the application was filed, I was an employee of PayPal, Inc. I worked at PayPal from 9/1/01 to 10/15/04. My title at PayPal was Director of Marketing

I have reviewed the two documents (referred to in the Office Action as "Steiner" and "Paypal") which were relied upon by the Office Action of September 24, 2007 in rejecting all of the claims of the application under 35 USC 103.

The "Steiner" document was cited in the Office Action as relating to a PayPal Merchant Referral Bonus Program. Steiner has a stated date of September 15, 2003.

The portion of Steiner relied upon in the Office Action in support of the rejection is subject matter that was invented by me and my co-inventor and is disclosed and claimed in the present application.

The "Paypal" document has no stated date of publication. It was relied upon for a statement relating to a PayPal "Refer-A-Friend" bonus program that had been in effect at the time that the PayPal Merchant Referral Bonus Program was commenced following an August 21, 2003 announcement referred to in "Paypal." The copy of the web page on which "Paypal was published" bears a date of February 3, 2005.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or my patent issued thereon.
